*The data shown in the table are for guidance only! Delivery time is calculated from the moment the parcel is picked by GLS.

Remarks

Packages to the following countries of destination are not accepted: Countries not currently in the European Union and all European islands.

If the sender sends a parcel that exceeds the maximum weight (max. 40 kg for domestic and export parcels) and girth (3 m = 2x height + 2x width + 1x length) published by GLS, or which is inappropriately packaged, GLS reserves the right, after weighing and measuring the parcel (the system is unable to handle overweight and oversize parcels), to apply a surcharge or return the parcel to the sender. In this event the shipment fee already paid is not refundable.
